

## Group Discount Codes for Travel to the Network Conference on United and Delta Airlines

We're pleased to announce that we've secured group travel discount codes on both [Delta](#) and [United](#) for those flying either airline to Memphis for the Network Conference. The discounts will be 2%, 5%, or 10% off depending on the type of ticket booked and are good for travel to/from Memphis during the March 20-27, 2018 date range. Travel must originate from within the US (all 50 states included) or Canada. In addition to the discount to you, for every 40 roundtrip flights booked and taken using our group code the Network will earn one free roundtrip travel certificate. Any travel certificates we earn will be used to cover invited speaker travel at the 2019 conference.

If you're interested in taking advantage of these discount codes, please refer to the instructions below. Feel free to share these codes with exonerates or any other folks with whom your organization has a relationship who plan to travel to Memphis for the conference.
